Non-profit under Section 501(c)(3)

We are a newly formed non-profit cat rescue organization, based in Wilmington, Delaware, whose primary focus is to end the routine killing of homeless cats and kittens through adoption to safe and loving homes, promotion of affordable sterilization programs, trap/neuter/return, and community education.

Help us out by organizing a supply drive among your friends, family and co-workers! We can arrange to pick up large quantities of items at any time.
